WOMEN

DEDICATION

The 1979 Talon is dedicated to a woman who has worked here at E.H.S. since 1968. She has shown great support for E.H.S. functions and student activities. She is in charge of keeping the front office running smoothly and handles any other jobs which need to be done.

She was born in Lexington and went to school there. She attended Lexington Henry Clay for three years, graduated from Versailles High School, and attended Bryant Stratton Business College. She now resides in Shelbyville, Kentucky. She attends the First Baptist Church in Shelbyville and sings in their choir. She also teaches music to a small group of children. Besides music she enjoys cooking and playing bridge. She is married to Cecil McGee and has two sons Tim, 18 and Tony, 20. With much admiration and affection, the Talon Staff proudly dedicates the '79 Talon to Mrs. Barbara McGee.

In accordance with tradition the week of Homecoming was named "Spirit Week". Each day was designated as a day for the students to dress in a different way. Monday was "Grease" day, Tuesday was "Anything Goes" day, Thursday was "dress-up" day, Friday was "blue and white" day. On Wednesday the students dressed to identify their class. Seniors dressed in togas, Juniors as hicks, Sophomores as cowboys and Freshmen in hats and glasses. The bonfire that was planned for Thursday night was cancelled because of bad weather, but the week ened on a positive note with an enthusiastic pep rally on Friday.

The Eagles started slowly with a 14-0 loss to Butler; however, they came back against Westport winning 14-7. They were then dropped for another loss when they hosted Ballard. The Eagles started to come on with a 31-0 win over Male. The next week they beat Iroquois 13-7 in the closing seconds. Their record of 3-2 didn't look quite as impressive as it was. The two teams who beat them had unbeaten records, and the Eagles had no. 1 rated Trinity along with Ballard in their district. At this point confidence grew and the Eagles stood in good play-off position . . . But as it turned out, the depressing loss to Waggener 14-13 was the turning point of the year. Losing to them ruined Eastern's playoff hopes, confidence, and spirit. After Waggener, Eastern lost five in a row to J-Town, Trinity, Fern Creek, Durrett, and T.J. This turn of events left Eastern with a disappointing record of 3-8.

"In the eyes of the spectators, they're just players. But in reality, they're all something special, they're Miracle's boys."

Looking for trouble, Mike?

Better late than never.

The 1978 Junior Varsity football team started out the season with a bang, winning their first two games against Iroquois and Waggener, 6-0, and 19-0 respectively. Then they hit a slump losing their next three out of four games. The worst was a 46-0 loss to Trinity. Things began to look brighter with a win over Fern Creek 20-12, but a last game loss to Durrett closed their season.

Mr. Thomas stated that his association with the J. V. football team was extremely gratifying. He said, he enjoyed every minute, and had never worked with a finer group of young men. He is very confident they will contribute to the future success of Eastern's football program.

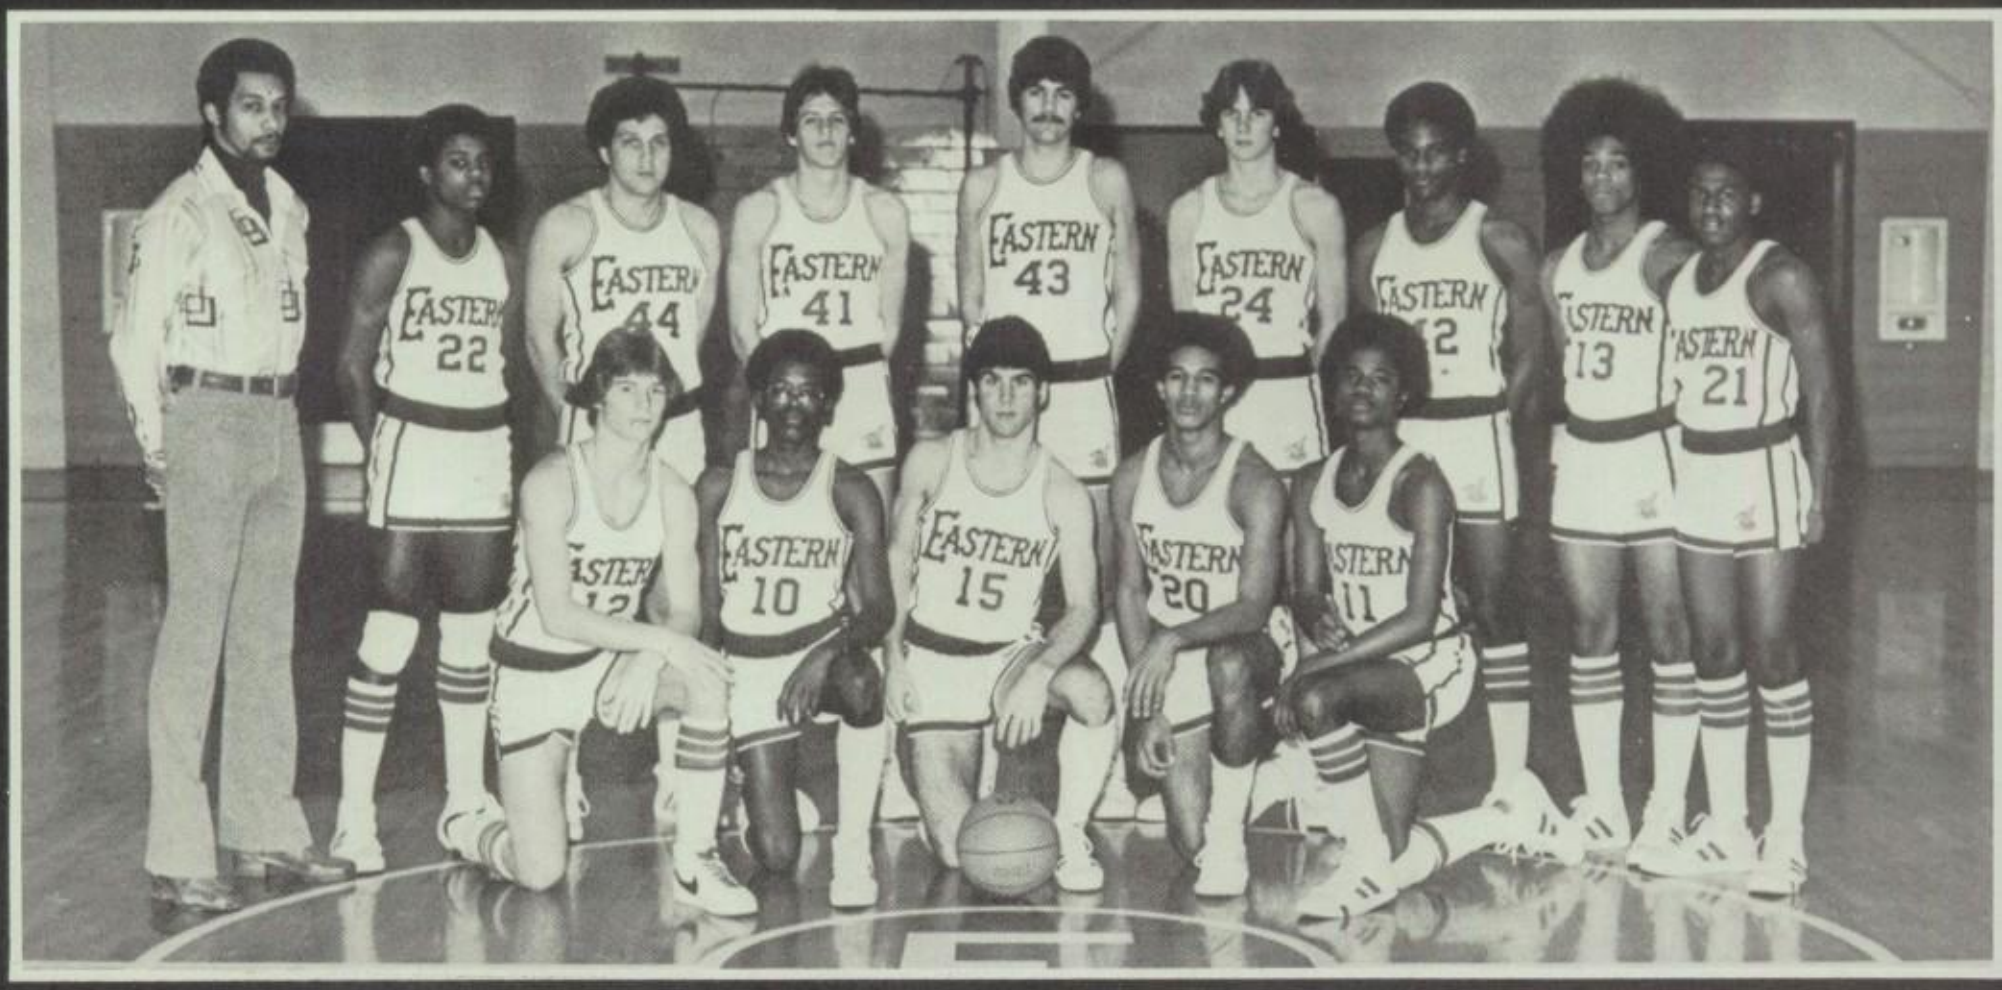
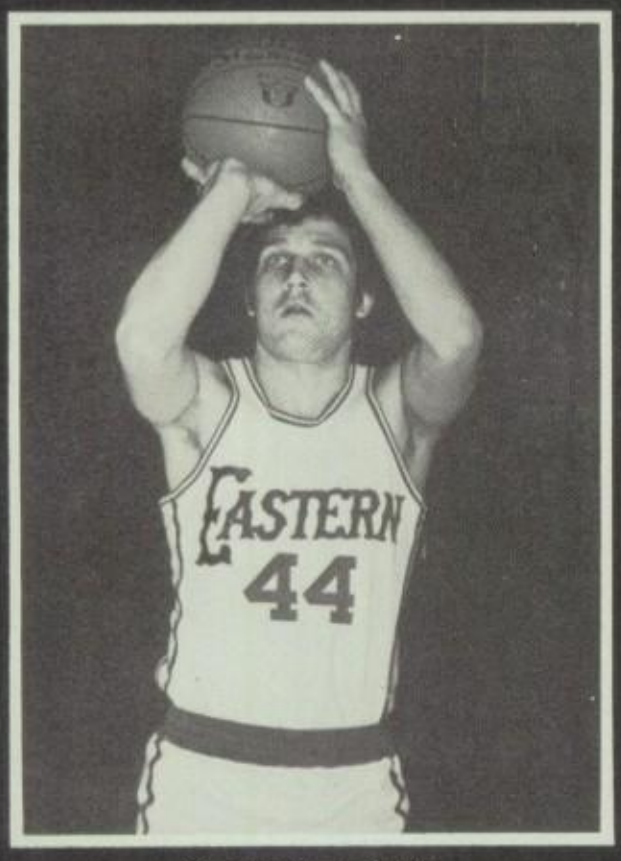
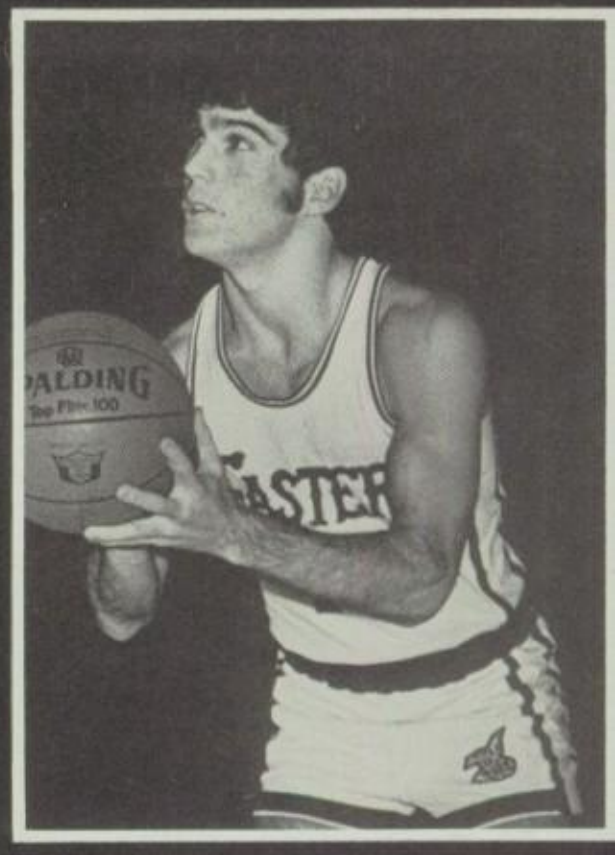
. . . A FEW BRIGHT MOMENTS





Captain Steve Gilpin

Coach Earnest Freeman



Captain Doug Davis

Summing up the varsity basketball season you could say a lack of consistency brought the Eagle downfall. Almost all of the games this season were close at halftime, but second half slumps proved to be the main factor in the Eagle defeats. There were a few bright spots this season. Ed Priest scored 27 points to lead Eastern over Waggener, and led the team in scoring 8 times. The keys to the offense were the two seniors, Doug Davis, who led scoring twice, and Steve Gilpin, who led scoring eight times. Roland O'Bannon, whose quickness helped him become one of the best defensive players on the team, also won the most outstanding player award against Senaca.

Looking ahead to next year, Eastern should have one of the best and most talented teams ever at Eastern. Starters Ed Priest, Roland O'Bannon, and Phil Stevens, will be back, plus a group of super sophomores who should give EHS the kind of teams we've seen in the past. Two other returning hopefuls, John Wheat and Dwight Ottman, could add a lot of support to the team.

If you can't shoot it . . . eat it!!

The super sophomores are a group of young men with dignity, determination, and pride. The J.V.'s team play is almost as impressive as their record. As of Feb. 13 their record was 9-2. They are coached by Bill Johnson who formed the team last year when they were freshmen. (14-2) and improved his winning streak when he moved up to J.V. coach. Next year there's a lot to look forward to, both for the team and the school. The J.V.'s definitely show promise for the future!

Coach Cotton talks to his team before the opening quarter.

The girls J.V. team had a good season considering the win-loss record. It was a learning year by the experience they received playing as a team. "Although we haven't won as many games as we had hoped to, next year we should eliminate the simple mistakes we made and we should play better as a team," says Sid Kittila. They really learned a lot from the coaches and hopefully will put their experience to use next year. Many of the players are young and are willing to learn more. Next year should prove to be a winning season.

The 1978-79 Wrestling team has done their best job ever. They took seven young men to the state — five of these finished in one of the top four positions. Throughout the year their match records were 7 wins and 4 losses. However, the six tournaments they were in helped the team become a good tournament team. They placed 2nd in the Woodford Co. Invitational, Oldham Co. Invitational, and in the Jefferson Co. Tournament of Champions. The team placed 6th in the Region and 2nd in the state behind Boone County by 4 points. Eastern has had 6 state champions over the last 10 years.
